

Certificate

Management system as per
DIN EN ISO 9001:2015

The Certification Body TÜV NORD CERT GmbH hereby confirms as a result of the audit, assessment and certification decision according to ISO/IEC 17021-1:2015, that the organization

HYDAC Technology GmbH
Industriestraße
66280 Sulzbach
Germany

with the locations according to the annex

operates a management system in accordance with the requirements of DIN EN ISO 9001:2015 and will be assessed for conformity within the 3 year term of validity of the certificate.

Scope

Development, design, production and sales as well as service and consulting for components, assemblies, units and systems for hydraulics, filtration technology, fluid technology, process technology, cooling and temperature control technology, electromechanics, electrohydraulics, mechanical engineering, electronics, battery technology, automobile and vehicle technology, testing, measurement, control technology as well as application software

Certificate Registration No. 44 100 240421
Audit Report No. 3536 8475

Valid from 2024-07-20
Valid until 2027-07-19
Initial certification (by a different certification body): 2021
