Management system as per  
**DIN EN ISO 50001:2018**

The Certification Body TÜV NORD CERT GmbH hereby confirms as a result of the audit, assessment and certification decision according to ISO/IEC 17021-1:2015, that the organization

**HYDAC Technology GmbH**  
**Industriestraße**  
**66280 Sulzbach**  
**Germany**

**with the locations according to the annex**

operates a management system in accordance with the requirements of DIN EN ISO 50001:2018 and will be assessed for conformity within the 3 year term of validity of the certificate.

Scope

**Development, design, production and sales as well as service and consulting for components, assemblies, units and systems for hydraulics, filtration technology, fluid technology, process technology, cooling and temperature control technology, electromechanics, electrohydraulics, mechanical engineering, electronics, battery technology, automobile and vehicle technology, testing, measurement, control technology as well as application software**

Certificate Registration No. 44 764 240421  
Audit Report No. 3536 8476

Valid from 2024-07-20  
Valid until 2027-07-19
